Bacitracin Zinc Ointment soothes
minor cuts, scrapes, and burns

BACITRACIN ZINC OINTMENT

FIRST AID ANTIBIOTIC (.9g Single-Use Packets)

Prevents Infection in cuts, scrapes and burns.

Healing Action

We use specially formulated Bacitracin Zinc 500 to promote fast effective healing for minor cuts, scrapes, and burns. This easy topical ointment promotes clean healthy repair for skin damage.

Maximum Antibiotic Power

Globe Antibiotic Ointment helps prevent infection in cuts, scrapes, and burns to the skin. This ointment is easy to use and keeps your wounds clean to promote easier, faster healing.

Easy to Use

First clean the cut, scrape, or burn then apply to the wound. Spread the cream on evenly with your finger. We suggest using 1-3 times a day, every day until the wound is healed.

Individual Packets

This box comes with 144 individual packets to keep your medication as fresh and hygienic as possible. Each easy-to-use packet contains 0.9 grams of Bacitracin Zinc 500, which should be plenty for most minor cuts, scrapes, and burns.

First Aid Essentials

These Antibiotic Ointment Packets are a perfect addition to any first aid kit. The easy topical cream soothes and prevents infection all from a small personal packet that takes the guesswork out of treatment.

HYDRO GEL WOUND DRESSING (3 oz.)

Amorphous Hydrogel Dressing with Vitamin E and Aloe Vera

Advanced Wound Care

Globe Hydrogel Wound Dressing is a cutting-edge solution for advanced wound care. This non-oily amorphous hydrogel dressing is formulated with vitamin E and Aloe Vera, offering a range of benefits to support the healing process.

Provides Moisture

The primary function of Globe Hydrogel Wound Dressing is to provide moisture to dry or minimally exuding wounds. By creating an optimal moist environment, the dressing helps facilitate wound healing and promotes tissue cell development. This moisture donation is essential for maintaining proper wound hydration and preventing excessive dryness, which can impede the healing process.

Supports Natural Healing

In addition to maintaining moisture, Globe Hydrogel Wound Dressing helps to remove non-viable tissue and debris from the wound bed, supporting the natural healing process by allowing healthy tissue to regenerate. This property makes it a valuable tool in managing various types of wounds, including chronic wounds and burns.

Professional Care

Perfect for elderly care, chronic diseases, daily care for pressure ulcers, and venous stasis ulcers with slight exudation. Apply liberally as often as necessary to cover affected areas.

Burn Treatment

Globe Hydrogel has a cooling and soothing effect on the skin, which is effective in for the treatment of burns. Globe Hydrogel is also essential for Sun Burns and painful wounds.

MAYINGLONG

MUSK HEMORRHOIDAL OINTMENT (1 oz. tube)

INGREDIENTS USED IN ASIA SINCE 1582

An effective ointment for hemorrhoids, Mayinglong Hemorrhoid Ointment is now available in the US, distributed by Trifecta Pharmaceuticals USA.

How It Works

Shrinks swollen Hemorrhoid tissue. The zinc carbonate (in calamine) has been shown to reduce the size of blood vessels both for internal and external hemorrhoids.

How to Pronounce

How to Pronounce? Ma (as short for mom, "ma"), Ying (as in Ying and Yang), Long (with a long O, "loooooong")

Reduces Heat and Inflammation

The borates in Borax, compounds in Bovis Calculus and proteins in Margarita all work to reduce heat and swelling, commonly seen in hemorrhoids.

Relieves Hemorrhoids

As heat, swelling and the inflammatory reaction are reduced, the associated pain and discomfort subsides.

What Does Mayinglong Do?

Clears away toxins & removes decayed tissues and stimulate new tissue growth and promotes healing.
